**IT Instructor | CIT & AI Fundamentals | MS Office |
Programming Logic | Git & GitHub**

PROFESSIONAL SUMMARY

IT Instructor with practical knowledge of Computer Information Technology, MS Office applications, and Git & GitHub for version control. Hands-on experience as a volunteer assistant at Saylani Mass IT Training, where I supported beginner-level students in understanding fundamental IT concepts. Familiar with Generative AI tools for productivity and learning. Strong interest in teaching and simplifying technical concepts for beginners.

EXPERIENCE

Mohammad Arif Glass Ware Wala Boys Campus (MAGWBC) – JEB Schools

Apr 2025 — Sep 2025

Lead Instructor (Volunteer)

Korangi, Karachi, Pakistan

- Conducted and delivered basic computer and IT lessons independently as a volunteer instructor.
- Taught foundational topics including MS Office (Word, Excel, PowerPoint), basic computer operations, and digital literacy.
- Introduced and taught concepts of Git, GitHub, and version control workflows with practical demonstrations.
- Provided introductory guidance on Generative AI tools and their use in learning and productivity.
- Designed simple explanations and hands-on activities to help beginner students understand technical concepts.
- Managed classroom instruction and ensured students could complete assigned practical tasks effectively.

Saylani Mass IT Training (SMIT)

Jan 2025 — Dec 2025

Teaching Assistant (Volunteer)

Karachi, Pakistan

- Assisted instructor in delivering IT concepts to students.
- Supported students during practical sessions and problem-solving activities.
- Helped students understand web development fundamentals (Git, GitHub) and basic computer concepts.
- Taught students in creating professional GitHub and LinkedIn profiles.
